## **1199SEIU National Benefit Fund for Home Care Employees**

This is a summary of the annual reports of the 1199SEIU National Benefit Fund for Home Care Employees (the "Fund"), EIN: 13-4129368, for the periods of January 1, 2023, to December 31, 2023. This is a welfare benefit plan offering life insurance, health, dental, vision and prescription drug benefits. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Except with respect to the benefits specified under "Insurance Information" below, the plan is self-insured and has committed to pay covered claims out of plan assets.

### **Insurance Information**

The plan has contracts with Amalgamated Life Insurance Company ("Amalgamated Life") and Dentcare Delivery Systems, Inc. ("Dentcare"), to pay certain life insurance and dental benefits claims incurred under the terms of the plan. The total premiums paid for the plan year ending December 31, 2023, were \$1,178,094.

Because the Amalgamated Life contract is a so-called "experience-rated" contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending December 31, 2023, the premiums paid under such "experience-rated" contracts were \$839,692, and the total of all benefit claims paid under these experience-rated contracts during the plan year was \$340,474.

### **Basic Financial Statement**

The value of plan assets, after subtracting liabilities of the plan, was \$119,021,432 as of December 31, 2023, compared to \$125,009,037 as of January 1, 2023. During the plan year, the plan experienced a decrease in its net assets of \$5,987,605. This change includes unrealized appreciation and depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year, or the cost of assets acquired during the year. During the plan year, the plan had total income of \$176,556,368, including employer contributions of \$135,996,212, other contributions of \$37,125,248, a gain in earnings from investments of \$3,164,600, and other income of \$270,308. Plan expenses were \$182,543,973. These expenses

included \$13,280,971 in administrative expenses, \$169,218,187 in benefits paid to participants and beneficiaries, \$1,401,184 in other expenses and \$44,815 in investment expenses.
